SUMMARY

Applied economist specializing in health, development, and public policy. Research examines how income, policy design, and institutional contexts shape human development and economic behavior. Expertise in econometrics, causal inference, program evaluation, and large-scale data analysis to inform high-stakes policy decisions using data-driven analysis to inform high-stakes policy decisions..

Research Areas: Health · Development · Policy Evaluation · Causal Inference

EDUCATION

Ph.D. in Economics <i>University of California, Los Angeles (UCLA)</i>	10/2018 – 06/2024 Los Angeles, CA
M.A. in Economics, <i>magna cum laude</i> <i>Center for Research and Teaching in Economics (CIDE)</i>	08/2014 – 07/2016 Mexico City, Mexico
B.A. in Economics, <i>summa cum laude</i> <i>Universidad Autónoma de Aguascalientes (UAA)</i>	08/2008 – 01/2013 Aguascalientes, Mexico

PROFESSIONAL EXPERIENCE

Postdoctoral Associate <i>Duke University, Center for Child & Family Policy (CCFP)</i> • Led impact evaluation of a large-scale experimental program (randomized controlled trial), overseeing design, implementation, analysis • Translated findings into policy insights and coordinated stakeholder engagement across academic and policy institutions	09/2024 – 03/2026 Durham, NC
Consultant <i>National Academies, Division of Behavioral and Social Sciences and Education</i> • Conducted policy analysis to inform federal child poverty policy and program design	01/2025 – 07/2025 Durham, NC
Graduate Student Researcher <i>UCLA, Department of Economics</i> • Conducted causal analysis of large-scale administrative and survey data to estimate program impacts	01/2020 – 05/2021 Los Angeles, CA
Research Associate <i>Universidad Iberoamericana, EQUIDE</i> • Led impact evaluations of social and health programs using quasi-experimental methods and large datasets • Produced cost-effectiveness analyses and synthesized evidence to inform policy design and implementation	06/2016 – 08/2018 Mexico City, Mexico
Short-Term Consultant <i>World Bank, Poverty & Equity Global Practice</i> • Analyzed poverty and welfare data to inform policy design and resource allocation decisions	10/2016 – 03/2017 Mexico City, Mexico
Short-Term Consultant <i>National Laboratory for Public Policies (LNPP)</i> • Developed literature reviews and analytical frameworks on social mobility and social protection	07/2016 – 09/2016 Mexico City, Mexico
Research Assistant <i>CIDE, Department of Economics</i> • Analyzed administrative data to evaluate program effectiveness and socioeconomic outcomes	08/2012 – 05/2016 Aguascalientes & Mexico City, Mexico

SKILLS

Causal Inference & Econometrics: Quantitative Analysis; Experimental and Quasi-experimental Methods; Matching; Difference-in-Differences; Program Evaluation; Panel Data; Robustness and Sensitivity Analysis

Data & Programming: Stata; Python; R; SQL; Large-scale Administrative and Survey Data Analysis; Data Visualization

Policy & Research: Policy Evaluation; Cost-effectiveness Analysis; Evidence Synthesis; Systematic Literature Reviews; Technical Writing; Monitoring and Evaluation (M&E)

Tools: LaTeX; ArcGIS; Excel

Languages: English (fluent), Spanish (native), French (intermediate)

WORKING PAPERS & RESEARCH IN PROGRESS

The Cumulative Effects of Unconditional Cash Transfers from Birth: Evidence from Baby’s First Years. Primary Author. Forthcoming in *Oxford Handbook on Guaranteed Minimum Income Policies*.

The Impact of Unconditional Cash on Parenting Behaviors among 4-Year-Old Children from Families with Low Income in the U.S., Primary author. Revise and resubmit at *Journal of Marriage and Family*.

Health Outcomes and Cash Transfers: Evidence from Progresa in Urban Mexico, Job Market Paper

PUBLICATIONS

- Development & Economic History:**
- Colonial Agricultural Estates and Rural Development in Twentieth-Century Mexico (with Arias), *EHDR*, 2024.
 - Competitiveness and Specialization in the Mexican Bajío (with Unger and Perez), *Paradigma Económico*, 2019.
 - Productivity and Human Capital: Sources of Competitiveness (with Unger & Ibarra), *Trimestre Económico*, 2014.
- Evidence Synthesis:**
- Urban Poverty and Nutrition Challenges: A Global SLR” (Vilar-Compte et al.), *Int. J. for Equity in Health*, 2021.
- Health & Inequality:**
- A Longitudinal Study of Height Gaps among Mexican Children (Vilar-Compte et al.), *Social Science & Medicine*, 2020.
 - How Do Context Variables Affect Food Insecurity in Mexico? (Vilar-Compte et al.), *Public Health Nutrition*, 2019.
- Program Evaluation:**
- Breastfeeding Training for Healthcare Providers (Vilar-Compte et al.), *Int. Breastfeeding J.*, 2020.
- Costing & Economic Evaluation:**
- Costs of Maternity Leave to Support Breastfeeding: Brazil, Ghana, and Mexico (Vilar-Compte et al.), *Bull. WHO*, 2020.
 - Costing a Maternity Leave Cash Transfer for Informally Employed in Mexico (Vilar-Compte et al.), *Food & Nut. Bull.*, 2019.

TEACHING EXPERIENCE

Taught undergraduate and graduate courses in microeconomics and econometrics, emphasizing applied and policy-relevant instruction.		
Instructor, Microeconomics Theory I (Econ 11), UCLA.		Summer 2022
Teaching Assistant:		
• Microeconomics Theory I (Econ 11), UCLA.		Fall 2020 – 2024
• Microeconomics for Public Affairs (PA 40), UCLA.		Winter & Spring 2022 – 2023
• Microeconomics Theory II (graduate), CIDE, Mexico.		Spring 2018
• Applied Econometrics (graduate), CIDE, Mexico.		Fall 2017
• Bio-statistics (graduate), Ibero-American University, Mexico.		Fall 2016 – 2017
• Intermediate Microeconomics, CIDE, Mexico.		Fall & Spring 2013

FELLOWSHIPS, HONORS, AND AWARDS

EHDR Best Biennial Article Prize (for 2024–25)	2026
Poster Winner, Population Association of America Annual Meeting	2025
Doctoral Summer Fellowship, WORLD Policy Analysis Center, UCLA	2020
UC MEXUS-CONACYT Doctoral Fellowship for Mexican Students	2018–2023
Best Empirical Master’s Thesis, Economics Department, CIDE	2016
Scholarship for High-Quality Graduate Programs, CONACYT	2014–2016

PRESENTATIONS

Population Association of America, PAA Annual Meeting (<i>Poster Winner</i>)	2025
All-UC Demography Conference; Instituto Tecnológico de Monterrey	2024
SOBREMÉXICO Congreso de Economía	2018
